ENTHRALLED (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.JW was content, living his life alone after his nasty divorce; concentrating all of his time and attention on the ranch that his father had loved and then left him in his will. But when the fiery ginger haired activity director from the orphanage down the road literally blackmails him into allowing her to bring the children to his ranch to learn, he can t help but be angered. frustrated . and as little as he may be loath to admit it, tempted by her, despite the way she fires his ire. Savannah is a beautiful woman with the short fuse temper that comes with being red-head. She is all about seeing that the children placed in her care get the very most out of life while they are in the home. She sees the Flying W as the perfect answer when it came to where to take them to ensure that they got just that. Her attraction to the pig-headed sexy cowboy that owns the place is something she wasn t prepared to deal with. It was probably for the best, because unbeknownst to Savannah, JW has his own demons that hound him and keep him from being willing to even entertain anything more than a physical relationship with a woman. But what happens when they both become completely enthralled with the other? Can either one of them get past their hang ups and let the other in?.
