American Psychiatric Publishing. Paperback. Book Condition: new. BRAND NEW, Resident's Guide to Clinical Psychiatry, Lauren B. Marangell, The resident's job is as challenging as it is critical to patient care, and perhaps no specialty is as daunting to the beginning clinician as psychiatry. Much of the material is presented using bullet points for quick recognition to accommodate busy residents.\* In addition to chapters on central topics such as mood disorders and dementia, chapters on consultation-liaison psychiatry, emergency psychiatry, child and adolescent psychiatry, and electroconvulsive therapy and device-based treatments are included.\* Welcome features include a comprehensive list of commonly...
