Reviews

Good e-book and beneficial one. I was able to comprehend everything out of this published e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.

BREAKING WITH BUSINESS AS USUAL: PERSPECTIVES FROM CIVIL SOCIETY IN THE COMMONWEALTH ON THE MILLENNIUM DEVELOPMENT GOALS (MIXED MEDIA PRODUCT)

Commonwealth Foundation, United Kingdom, 2005. Mixed media product. Book Condition: New. 297 x 210 mm. Language: English Brand New Book. Provides a snapshot (as at 2005) of some of the issues and concerns shared by civil society organisations across the Commonwealth regarding current trends in progress towards the Millennium Development Goals. The report analyses progress and draws on reports by governments and civil society organisations. Breaking with Business as Usual examines the domestic and international policy environment as well as the resources available for meeting the MDGs - including crucially, the level of commitment shown by Commonwealth donor countries towards creating the necessary global environment in the areas of aid, trade and debt cancellation.
