THE NEW SECOND MUSIC READER (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The New Second Music Reader The prevalent desire or novelties has led many friends of this Method to deprecate the retention, in these revisions, of so many of the selections used in the first editions of the National Music Course; but while the author appreciates the full force of the popular taste, he also realizes the innate educational value of this material, which has become all the greater for its proven fitness. So much is this the fact, that after diligent search throughout Europe, especially in these centres where school music receives the fostering care of the state and the service of the best intellects, he has found it impossible to replace these selections, except in a few instances, inasmuch as they are important members of a carefully considered and well organized system, the rejection of which would materially injure the completeness of the whole. There will be found, however, in the elaboration of the elementary portion of this book, much that is new and helpful to both teacher and pupil, the use of which has been made practicable by the general advancement of the science of teaching music in the schools - amongst which may be mentioned, Rhythmic Analyses (by means of Time-Names, as originally invented by the Author of this work); Preparatory Exercises in the Study of Two-Part Singing; German Chromatic Pitch-Names, adapted to American usage; Special Exercises in Singing Chromatic Sounds; Diagrams of the Scale in the Various Keys; and Going from One Key to Another, - together with suggestions to the teacher, at such points as seem to require particular treatment. In the Introduction will be found interesting chapters on Tune...
