That remediation is occurring right now. For 18 days, we have been working to enhance the safety of our employees and their workplaces. At the same time, we want to keep mail moving to the Nations businesses and households. Let me share some of the actions that we have taken. We scheduled 200 facilities nationwide to be tested. That is in addition to those facilities in the immediate area of the anthrax attacks. We purchased 4.8 million masks, 88 million gloves for our employees. We changed operational maintenance procedures to reduce the chance of any bioagents being blown around the workplace. We are using new cleaning products that kill anthrax bacteria. We have redoubled efforts to communicate to employees through stand-up talks, videos, and postcards directed to their homes to reinforce our awareness message. We also had medical doctors speak to our employees at the worksite on the precautions they needed to take concerning anthrax and offered employees nationwide counseling services. During the last week, we mobilized every resource to get employees screened, tested, and antibiotics distributed. We are purchasing machines and technology to sanitize the mail. Unfortunately, we cannot deploy all the machines tomorrow. In the interim, we are using existing machines and private sector companies to sanitize targeted mail. The anthrax attacks were targeted and we are responding in a targeted way. We are increasing our education efforts with the public...
