Peace Hill Press, United States, 2015. Paperback. Book Condition: New. Student, Workbook. 272 x 216 mm. Language: English . Brand New Book. Building on the first two levels of Writing With Skill, Level 3 reinforces skills in original composition and introduces new skills in researching, organizing, and writing expository essays. Models from great writers provide inspiration; assignments in history, science, biography and literature expand the student s horizons. This third level is marked by a focus on writing about cause and effect, as well as more advanced instruction in literary criticism, science writing, descriptions, and paragraph construction. Time-tested classical techniques--the imitation and analysis of great writers--combine with original essay assignments. Along with the accompanying Instructor Guide, this Level Three Student Workbook provides a complete year of advanced middle-grade writing instruction.
