

Time Travel from the Past: The Cyclical Nature of Traversing Time and Great Civilizations (Paperback)

By Rufus O Jimerson

Createspace, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The purpose of this book is to examine the possibility of traversing the future from the past as a means to advance humanity, civilization and the natural world, we shepherd for the cosmic consciousness. It presents images of paintings from Renaissance artists who envisioned spacetime, Unidentified Flying Objects (UFOs) and Extraterrestrials in their masterpieces. Some paintings, particularly from Leonardo de Vinci and other masters depicted the technology that is evident today and more than 500 years from their lives. Either they were transported to the future by UFOs in their paintings or envisioned the future through out-of-body experiences, like dreams, through the hyperspace of the 5th dimension. What is once perceived as imaginary if accurate may be an empirically difficult to confirm our three-dimensional reality? The argument presented by Goldberg (1998) is presented that all humans are time travelers through past, present and future lives. The supposition that supercivilizations of the ancient world, like Mu and Atlantis, and those of a millennium or more in the future have readily traversed spacetime and altered the past, present and future...
