Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Wildcat groups such as hedge funds have played a growing role in causing or aggravating blowups in the capital markets as well as the banking system. The main audience for the book consists of active investors and earnest policymakers. Other types of readers include concerned professionals in the financial community as well as thoughtful observers from all walks of life. Given the carnage to the real economy wreaked by shaky schemes in the financial sector, the message of this...
