This item is printed on demand - Print on Demand Neuware - Essay from the year 2014 in the subject English - Literature, Works, Ranchi University , language: English, comment: Hamlet has been interpreted by many scholars by certain recognized standards and conceptions. The current paper is an unconventional take on the play, an attempt to explore the unexplored and the unexplained. Human mind is a terrific mystery of sorts, each and every mind being unique and distinguished from the other. Therefore, both psychology and parapsychology have been combined, in an endeavour to comprehend the superior human intellect., abstract: The present paper endeavours to give an in depth para-psychological reading of William Shakespeare s classic play Hamlet, Prince Of Denmark . Two distinguished terminologies, interoception and exteroception are introduced and taken into consideration, while examining the central character, Prince Hamlet. Previous theories and critical observations are also analysed for a proper assessment of the play. Besides, it is also shown how a careful para-psychological reading can provide an antidote to all previous critical excesses. Critics have often looked upon the play as a potential Pandora s box of...
