

The Constructive Problems of World Democracy (Classic Reprint) (Paperback)

By William E Barton

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Constructive Problems of World Democracy The Men s Bible Class of the First Church presents this booklet with an invitation to all men in Oak Park who have no membership in an organization of this character, and who are interested in the application of Christian principles to the work of world-reconstruction, to join this class and participate in its discussions. The class is just beginning a new course of study under the inspiring leadership of Dr. F.B. Moorehead, whose high standing in his profession and notable service to his country are equalled by his zeal as a Bible student and his ability as a teacher. As introductory to this course of study, the Class invited Dr. Barton to deliver an address on the Sunday following the signing of the Armistice, outlining the essential problems of our country and the world in the period of reconstruction. Dr. Barton s address followed immediately after a sermon on The Rebuilding of the World, in which he had treated the more definitely religious aspects of the subject. By...
