Brand New Book ***** Print on Demand *****.Algernon Charles Swinburne was an English poet, playwright, novelist, and critic. He wrote several novels, and contributed to the famous Eleventh Edition of the Encyclopaedia Britannica. He was nominated for the Nobel Prize in Literature in every year from 1903 to 1907 and again in 1909. Swinburne is considered a poet of the decadent school, although he perhaps professed to more vice than he actually indulged in; Oscar Wilde stated that Swinburne was a braggart in matters of vice, who had done everything he could to convince his fellow citizens of his homosexuality and bestiality without being in the slightest degree a homosexual or a bestialiser. Many critics consider his mastery of vocabulary, rhyme and metre impressive, although he has also been criticised for his florid style and word choices that only fit the rhyme scheme rather than contributing to the meaning of the piece.
