In this century, the magical spell of colonialism was, to an extent, broken. Countries that had been under colonization emerged as independent or at least partially independent countries. The Muslims and their intellectual leaders began to contemplate upon a series of fundamental issues, and the reasons for the subjection and backwardness of their societies was studied and thereby, they sought to find reasons for their abject state. This book is one of the many Islamic publications distributed by Ahlulbayt Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Ahlulbayt Organization ( is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shia School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization s purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resented, resisted and fought!
