Designed to build confidence and effectiveness in the use of English, Basic English Grammar will help new students, and refresh experienced students with its simple but effective approach. It is also an essential tool for small and large organisations that value effective communication. She noticed a lack of easy-to-understand English grammar guides so she started to write her own notes for her students - the early stages of this book. Annette teaches ESL (English as a Second Language) in the community; helps international students gain a higher IELTS score; and she teaches on a TESOL course regularly. She also teaches English grammar in the community - helping businesses with effective communication, primary and high school teachers, and high school students struggling with their writing.
